<p>Week 1 & 2 Gymnastics/Cheer Camp May 17-18, 21-25 May 29-June 1 During this week the kids will be introduced to all types of gymnastics and cheer basics. They will all learn how to put a routine together and then we will help each camper create and practice a gymnastic or cheer routine of their choice. On each Friday we will have a performance where every camper will have the chance to show off their new skills.</p>	<p>Week 3 Art Camp June 4-8 This week we will be tapping into the kid's creative abilities. The kids will draw, paint, sculpt and create projects all week to be on display at the Friday afternoon art show. We are also going to have our local artists coming in to do demonstrations and teach some art skills to the campers. This week will include a field trip to the Southern Art and Soul studios for a painting party with Jana Soulner. Add \$25 for painting party</p>	<p>Week 4 Dance Camp June 11-15 We start this week off having fun dancing to party favorites like the Macarena, Chicken Dance, Electric Slide, YMCA, Cha Cha Slide and many more. We will talk about different types of dances and then focus on line/circle dancing. Each camper will work with a small group to create, learn and then teach everyone else a simple line dance. On Friday afternoon, we'll make a music video.</p>	<p>Week 5 Summer Games June 18-22 This week is all about those favorite picnic games like three leg races, sack race, and many more. We will have guests from the Fire, Police, and Ambulance services to help practice and challenge to a race or two. At the end of the week we will have a game day where everyone can play and earn points toward the summer camp championship!!!</p>	<p>Week 6 Science Camp June 25-29 What is H2O and what happens when oil, food coloring, and sodium bicarbonate are added...we will find out at Science camp. Every day we will have several fun experiments to try out including some that are suggested by the campers. We are inviting local scientists to come in and demonstrate how science is all around us and show us some cool tricks. NO CAMP JULY 2-6</p>
<p>NO CAMP JULY 2-6 Week 7 Circus Camp July 9-13 A very fun week for campers, during this week each camper will try their hand at lots of different circus acts. They will try juggling, learn how to be a clown or maybe, they will be the strong man. Once they have decided on what type of circus act they want to be they will practice a routine that will be personalized for them. Campers will have the opportunity to perform their circus act Friday afternoon at the Summer Camp Circus.</p>	<p>Week 8 Olympic Games July 16-20 We will be playing games like basketball, soccer, track and field, badminton, and volleyball. Each day will have a different game and each game will have lots of modifications so that we can all play together and have fun being Olympians. Some High School athletes will be stopping by to play with us throughout the week and on Friday we will be receiving our Gold, Silver, and Bronze medals at our awards ceremony.</p>	<p>Week 9 Water Wars Camp July 23-27 Dunk tanks, big 16-foot slide, water balloons, super soakers...with it being nice and hot outside we want to take the fun out there. Sponges, water balloons, sprinklers...you name it if we can use it to get wet we will. And maybe even a field trip to the pool to swim. Do I have any parents that would like to volunteer to sit in the dunk tank???. Must have water shoes, sun block & towel. SHHH its Mr. Todd's Birthday on Friday dunk tank???</p>	<p>Week 10 Boot Camp July 30-Aug 3 Good Ol' Fashion working out...and some fun ways to work out as well. Each day will be filled with games and activities that will keep the kids moving and learning about exercise. We will talk about the 5 aspects of fitness, nutrition, and the benefits of being physically fit. Some local fitness instructors Police officers, and Fire fighters will come in and takes us through a class or two and a possible secret field trip</p>	<p>Week 11 TNT Ninja Warrior!!! Aug 6-10 Obstacle Courses, Parkour, climbing walls, and more. Mr. Todd will be building new obstacles all summer. Come try out our new TNT ninja class starts this fall. Help us set the first Top 10 leader board for all of our different courses. Come make the end of TNT's summer a BLAST!!!! (get it...TNT a blast hahahah)</p>
